FILE NO. 91-78-3 RESOLUTION NO. 401-78

RESOLUTION OF BOARD OF SUPERVISORS CERTIFYING REVIEW AND CONSIDERATION OF FINAL ENVIRONMENTAL IMPACT REPORT ON YERBA BUENA CENTER PROJECT AREA AND CONVENTION CENTER; FINDINGS OF BOARD ON MITIGATION MEASURES, DETERMINATION TO PROCEED WITH PROJECT BASED ON IMPLEMENTATION OF MITIGATION MEASURES AND OVERRIDING ECONOMIC AND SOCIAL CONDITIONS; DECLARING BOARD POLICY THAT ALL MITIGATION MEASURES BE APPLICABLE TO ALL FUTURE APPROVALS RELATING TO CONSTRUCTION, OPERATION, LEASING AND FINANCING OF CONVENTION CENTER.

WHEREAS, in November 1976 the voters of the City and County of San Francisco (the "City") approved a declaration of policy that the City should construct, underground if financially feasible, otherwise above ground, a convention center and exhibit hall (the "Convention Center") in the Yerba Buena Center Redevelopment Project Area, an area located in the south of Market district of San Francisco whose boundaries extend approximately from Market Street, between Second and Fifth Streets, south to Harrison Street and the Bay Bridge Skyway, a legal description of such area being appended to the Redevelopment Plan approved and adopted by the San Francisco Redevelopment Agency (the "Agency") on December 7, 1965, and adopted and approved by the Board of Supervisors of the City by Ordinance 98-66, dated April 29, 1966, as subsequently amended (the "Redevelopment Plan"); and

WHEREAS, the City and the Agency jointly determined that an environmental impact report ("EIR") should be prepared pursuant to the provisions of the California Environmental Quality Act of 1970, as amended, and Title 14, California Administrative Code, Guidelines for Implementation of the California Environmental Quality Act of 1970, Chapter 31 of the San Francisco Administrative Code, and San Francisco Redevelopment Agency Resolution No. 59-77 ("CEQA," "State Guidelines," "Code" and "Agency Resolution No. 59-77," respectively), covering potential redevelopment activities in connection with Yerba Buena Center, including the Convention Center approved by the voters in November 1976 and a possible amendment of the Redevelopment Plan; and

WHEREAS, the City and the Agency agreed that they would act jointly as lead agency in the preparation, review and certification of the EIR, and to confirm and further implement such agreement, the City and the Agency have entered into an Agreement To Act Jointly As Lead Agency; and

WHEREAS, pursuant to the terms of the Agreement To Act Jointly As Lead Agency, and in accordance with CEQA, the State Guidelines, Chapter 31 of the Code, and Agency Resolution No. 59-77, the San Francisco City Planning Commission ("City Planning Commission") and the Agency Commissioners have, after review, consideration and evaluation of the information, comments and responses, analyses and assessments contained in the Final EIR for Yerba Buena Center, certified by separate Resolutions, each dated April 25, 1978, that the Final EIR is adequate, accurate and objective, and has been completed in accordance with all applicable legal requirements; and

WHEREAS, the City Planning Commission and the Agency Commissioners have further found that the overall redevelopment activities in Yerba Buena Center described in the Final EIR, including but not limited to construction and operation of the Convention Center and possible amendment of the Redevelopment Plan, will have a significant effect on the environment; and

WHEREAS, in accordance with Section 31.29 of the Code, the City Planning Commission has transmitted the Final EIR to the Board of Supervisors of the City for its review and consideration prior to taking any discretionary action which would commit the City to the construction or operation of the Convention Center, including but not limited to approval of a lease for the Convention Center between the Agency, as lessor, and the City, as lessee, and approval for the Agency to issue lease revenue bonds to finance the construction of the Convention Center; and

WHEREAS, under the applicable provisions of CEQA, the State Guidelines and Chapter 31 of the Code, the Board of Supervisors is required (i) to review and consider the Final EIR prior to making a decision to proceed with the Convention Center; (ii) in taking any discretionary action committing the City

to a project having significant environmental effects, to impose feasible mitigation measures or require feasible alternatives to mitigate or avoid any significant effects on the environment that would otherwise result from such project; and (iii) where applicable, to state the specific economic, social or other conditions, if any, that make certain mitigation measures or alternatives infeasible and the overriding considerations or public objectives that justify approval of the construction of the Convention Center; now therefore be it

RESOLVED, That this Board of Supervisors, after due consideration and deliberation, finds and certifies that:

1. The Final EIR has been reviewed and considered by the Board of Supervisors.

2. Construction of the Convention Center is consistent with applicable City plans and zoning ordinances.

a. The Convention Center, as proposed for Central Block 3 in Yerba Buena Center and as described in the Final EIR, is in conformity with the approved Master Plan for San Francisco. The report of master plan conformity has been rendered by the Department of City Planning in accordance with City Charter §3.527.

b. The Convention Center is a permitted use under the City Planning Code for Central Block 3. Central Block 3 is currently zoned C-3-S (Downtown Support Services) which would permit the construction of the Convention Center.

3. The Convention Center is consistent with the Redevelopment Plan. Under the Redevelopment Plan, Central Block 3 is designated as a "special use" category, which permits a convention center and exhibit hall.

4. The construction and operation of the Convention Center will have the significant effects on the environment described in Appendix No. 1, ~~xxxxxx~~ by reference ~~xxxxxxx~~ incorporated herein.

5. Changes and alterations shall be required in, or incorporated into, the construction and operation of the Convention Center, which mitigate or

avoid, where and to the extent feasible, the significant environmental effects of such construction and operation, as said significant effects are described in Appendix No. 1. Said changes and alterations, in the form of mitigation measures, are set forth in said Appendix No. 1 following the significant environmental effects to which they relate.

6. Specific economic, social, design, technological and other considerations make certain mitigation measures or alternatives described in the Final EIR infeasible, as and for the reasons set forth in Appendix No. 1.

7. It is the judgment of the Board of Supervisors that implementation of the feasible mitigation measures and alternatives described in Appendix No. 1 will avoid or substantially lessen the significant environmental effects described in Appendix No. 1, where and to the extent feasible, and that the requirements of CEQA, the State Guidelines and Chapter 31 of the Code have therefore been complied with. However, should any significant environmental effects remain as a result of the construction or operation of the Convention Center, notwithstanding the imposition of all feasible mitigation measures, the Board of Supervisors nevertheless finds that the Convention Center should be approved and carried out because there exist certain overriding considerations or public objectives, as set forth in Appendix No. 2, ~~xxxxxxxxxxxxxxxx~~ by reference incorporated herein, which on balance outweigh the risk of any remaining or unavoidable significant environmental effects and further justify approval of the Convention Center.

8. It is premature at this time to determine which feasible mitigation measures and/or alternatives should be imposed for any further activities or facilities, apart from the Convention Center, in or relating to Yerba Buena Center since:

a. proceeding with construction of the Convention Center, including the execution of a lease and issuance of lease revenue bonds therefor, does not commit the City to proceeding with any further or additional activities or facilities in Yerba Buena Center, nor to implementing any of the full redevelopment alternatives for Yerba Buena Center described in the Final EIR;

b. sufficient information is not presently available regarding the nature, scope, design, or purpose of such activities or facilities to make a meaningful determination of the need for any feasible mitigation measures or alternatives;

c. at such time or times in the future as any further activities or facilities, apart from the Convention Center, in or relating to Yerba Buena Center are presented to (1) the City for approval of any amendment to the Redevelopment Plan or (2) various City agencies or departments for discretionary action relating to other Yerba Buena Center activities, such activities or facilities will be reviewed in the light of the information contained in the Final EIR and the mitigation measures and alternatives set forth therein. In all cases where such activities or facilities would have a significant effect on the environment, the Agency, or the City where required under applicable law, will impose or require feasible mitigation measures and/or alternatives to mitigate or avoid such significant effects or will state the conditions, if any, making such measures and/or alternatives infeasible;

d. as part of its approval of any amendments to the Redevelopment Plan, the Board of Supervisors will require the imposition feasible mitigation measures or alternatives or state the various conditions, if any, making such measures and/or alternatives infeasible, to the extent not previously done by the Agency; and

e. in appropriate cases, supplemental environmental review will be conducted for additional activities or facilities, apart from the Convention Center and a possible amendment of the Redevelopment Plan as covered in the Final EIR, in or relating to Yerba Buena Center where it is determined that such activities or facilities will cause new significant effects on the environment not previously discussed in the Final EIR, or where new feasible mitigation measures or alternatives not previously discussed in the Final EIR can be suggested for such activities or facilities, or where it is otherwise determined, in accordance with applicable laws and regulations (including but not limited to

Section 15067 of the State Guidelines), that the information and analysis contained in the Final EIR should be supplemented.

9. In deciding to proceed with construction of the Convention Center, including the execution of a lease and the approval of the issuance of lease revenue bonds therefor, the Board of Supervisors has considered and evaluated the construction and operation of the Convention Center in a framework of possible additional redevelopment alternatives for Yerba Buena Center as discussed in the Final EIR, and recognizes that by deciding to proceed with the Convention Center the City is thereby eliminating all alternatives or variants of ultimate Yerba Buena Center redevelopment alternatives that do not include the Convention Center as one of the elements of such development. Without limiting the foregoing, the design of the Convention Center will provide adequate structural support and accommodate reasonable surface uses above the Convention Center, including landscaping, structures and facilities of reasonable size and weight, as described in the Final EIR, to retain adequate flexibility to accommodate future proposed surface uses on Central Block 3; and be it

ah FURTHER RESOLVED ~~xxxxxxxxxxxxxxxxxxxxxxxx~~ That all of the feasible

ah mitigation measures and alternatives described in Appendix No. 1, by reference incorporated herein, ~~xxxxxxxxxxxxxxxxxx~~ shall apply to the construction and operation of the Convention Center, and that such feasible mitigation measures and alternatives shall be applicable to all further approvals, resolutions and ordinances now or hereafter given, adopted or enacted by the City relating to construction or operation of the Convention Center or the leasing or financing thereof, as conditions of such construction, operation, leasing or financing, whether or not such feasible mitigation measures or alternatives or the provisions of this Resolution are specificially mentioned in any such approval, resolution or ordinance.

FINDING BY THE BOARD OF SUPERVISORS THAT THE CONSTRUCTION AND FINANCING OF A CONVENTION EXHIBIT HALL AT YERBA BUENA CENTER IS IN COMPLIANCE WITH THE POLICY DECLARATION CONTAINED IN PROPOSITION "S".

WHEREAS, The Board of Supervisors and the Mayor of the City and County of San Francisco, pursuant to Charter Section 9.108, submitted a declaration of policy to the electorate at the general election held on November 2, 1976 which was designated on the ballot at said election as Proposition "S"; and

WHEREAS, Proposition "S" declared that it is the policy of the City and County of San Francisco to construct a convention exhibit hall at Yerba Buena Center, to be constructed underground to the extent financially feasible; and

WHEREAS, The declaration of policy provided that said convention exhibit hall be financed by lease revenue bonds and a Hotel Room Tax of four percent (4%); and

WHEREAS, The Chief Administrative Officer of the City and County of San Francisco has been delegated responsibility to prepare plans and specifications for the convention exhibit hall and has presented plans and specifications to this Board of Supervisors for a convention exhibit hall at Yerba Buena Center which is underground to the extent financially feasible; and

WHEREAS, The Chief Administrative Officer has presented to this Board of Supervisors and recommended a Project Lease under which the City and County of San Francisco would cause to be constructed and would lease the convention exhibit hall from the San Francisco Redevelopment Agency; and

WHEREAS, The annual rental under said Project Lease would in no event exceed an amount equal to the revenues produced by a Hotel Room Tax of four percent (4%) during any given year; and

WHEREAS, There has been presented to this Board of Supervisors an ordinance which authorizes issuance by the San Francisco Redevelopment Agency of not to exceed $97 million principal amount of Redevelopment Agency of San Francisco Yerba Buena Center Lease Revenue Bonds Series of 1979; the proceeds of which lease revenue bonds would support the construction of the convention exhibit hall; and

WHEREAS, All costs of construction of the convention exhibit hall would be financed by means of a Hotel Room Tax of four percent (4%); and after completion of the Convention Center lease rental payments not exceeding the revenues of a four percent (4%) Hotel Room Tax will be used to pay said lease revenue bonds; now, therefore, be it

RESOLVED, That based on the evidence presented to it at a public hearing, this Board of Supervisos finds and determines after a public hearing, that the construction and financing plan for a convention exhibit hall at Yerba Buena Center, as presented by the Chief Administrative Officer to this Board of Supervisors, conforms with the declaration of policy adopted by the electorate on November 2, 1976.

FILE NO. 155-78-2 RESOLUTION NO. 403-78

ADOPTING AND IMPOSING SCHEDULES OF SEWER SERVICE CHARGES TO BE PAID BY USERS FOR FISCAL YEAR 1978-1979 PURSUANT TO PART II, CHAPTER X, ARTICLES 4.1 AND 4.2, OF THE SAN FRANCISCO MUNICIPAL CODE (PUBLIC WORKS CODE); PROVIDING FOR REIMBURSEMENT TO THE GENERAL FUND OF ADMINISTRATIVE EXPENSES; PROVIDING FOR A SEVERABILITY CLAUSE.

WHEREAS, In order to qualify for Federal and State grant assistance and in accordance with the provisions of the proposition for sewerage revenue bonds authorized by voters on November 2, 1976 and the Board of Supervisors Resolution No. 973-77 adopted December 12, 1977, the City and County must establish sewer service charges which will produce sufficient revenue to meet the cost of operation and maintenance, replacement of equipment and structures, and debt service of the sewerage system; and

WHEREAS, The Chief Administrative Officer has submitted a report titled "Development of San Francisco's 1978-1979 Wastewater Revenue Plan" (on file with the Clerk of the Board of Supervisors in File No. 155-78-2) explaining the method of deriving such charges; and

WHEREAS, The Chief Administrative Officer recommends, with the concurrence of the Controller, schedules of the Sewer Service Charges to be paid by users pursuant to Part II, Chapter X, Article 4.2, of the San Francisco Municipal Code (Public Works Code); and

WHEREAS, The final negative declaration was issued by the Department of City Planning on March 31, 1978 and this Board of Supervisors certifies it has reviewed and considered the information contained in the final negative declaration; now, therefore, be it

RESOLVED, The investment income attributable to unexpended balances of proceeds resulting from the issuance of general obligation

and revenue bonds for wastewater projects shall be transferred to the wastewater revenue funds since wastewater revenue is used to finance the debt service of general obligation bonds and revenue bonds; and, be it

FURTHER RESOLVED, That the wastewater management program will transfer to the City and County's general fund the sum of $1.8 million as reimbursement to the City and County for the estimated cost of general government services which will be furnished by the City and County to support the sewerage enterprise during fiscal year 1978-1979 and the Controller is hereby directed to make this transfer during the last quarter of said fiscal year; and, be it

FURTHER RESOLVED, The following schedules of Sewer Service Charges to be paid by all dischargers to San Francisco's sewerage system are hereby adopted and imposed pursuant to Part II, Chapter X, Article 4.2, of the San Francisco Municipal Code (Public Works Code):

SCHEDULE A. This schedule shall apply to users whose sewage originates solely from the result of human habitation in dwelling units, defined herein to be a room or suite of two (2) or more rooms that is designed for, or is occupied by, one (1) family doing its own cooking therein and having only one (1) kitchen; provided, however, that dwelling unit shall not include a boarding house, motel or hotel as defined in the City Planning Code. Residential users whose sewage originates solely from the result of human habitation in dwelling units as defined herein shall be charged the lifeline sewer rate of $.6327 per 100 cubic feet (1 unit, equivalent to 748 gallons) of incoming water used per residential unit per month for the first three hundred (300) cubic feet of incoming water per month.

/ / / / /

JUN 30 1978

For all amounts in excess of 300 cubic feet of usage, users shall be charged at the following unit costs for each of the parameters shown below at the parameter loadings established by the Director of Public Works, in accordance with the provisions of Part II, Chapter X, Articles 4.1 and 4.2, of the San Francisco Municipal Code (Public Works Code):

Parameter	Unit Cost
Flow per one hundred (100) cubic feet of incoming water	$.7243 per 100 cubic feet (1 unit)
OR	OR
Flow per 100 cubic feet of actual discharge determined in accordance with Part II, Chapter X, Articles 4.1 and 4.2 of the San Francisco Municipal Code (Public Works Code)	$.8048 per 100 cubic feet (1 unit)
PLUS	
Suspended Solids discharged	$.1342 per lb.
Grease/Oil discharged	$.1863 per lb.
Chemical oxygen demand discharged	$.0268 per lb.

These unit costs shall be applied on the basis of typical strength of residential sewage, as determined by the Director of Public Works, and can be stated as a rate of $1.1267 per 100 cubic feet (1 unit, equivalent to 748 gallons) of incoming water.

SCHEDULE B. Users, other than those users charged under Schedule A of this resolution, whose parameter loadings are established by the Director of Public Works in accordance with the provisions of Part II, Chapter X, Articles 4.1 and 4.2, of the San Francisco Municipal Code (Public Works Code) shall be charged the rate for each parameter according to the following:

Parameter	Unit Cost
Flow per one hundred (100) cubic feet of incoming water	$.7331 per 100 cubic feet (1 unit)
OR	OR

Parameter	Unit Cost
Flow per 100 cubic feet of actual discharge determined in accordance with Part II, Chapter X, Articles 4.1 and 4.2 of the San Francisco Municipal Code (Public Works Code)	$.8145 per 100 cubic feet (1 unit)
PLUS	
Suspended Solids discharged	$.1407 per lb.
Grease/Oil discharged	$.1959 per lb.
Chemical oxygen demand discharged	$.0280 per lb.

Since rain water and related wet weather drainage is removed, treated and disposed of to benefit the members of the population and visitors, a reasonable basis of allocating the benefit of such wet weather sewerage is to the quantity of sanitary sewage discharged by users of the sewer system; and

Those users who are charged under Schedule B of this resolution and who are determined by the Director of Public Works as being engaged in manufacturing, as defined by Division D of The Standard Industrial Classifications published by the Office of the President of the United States Office of Management and Budget (1972), shall be charged for wet weather debt service at such unit costs as are determined by the Director of Public Works on the basis of such user's sanitary waste, excluding any sewer discharge resulting from a manufacturing process, in accordance with such procedures for application and determination as established by the Director of Public Works.

SCHEDULE C. Users, other than those users charged under Schedule A of this resolution and whose parameter loadings are not established by the Director of Public Works in accordance with Schedule B of this resolution, shall be charged at the following unit costs for each of the rate parameters shown below, at the parameter loadings established by the Director of Public Works, in

accordance with the provisions of Part II, Chapter X, Articles 4.1 and 4.2, of the San Francisco Municipal Code (Public Works Code):

Parameter	Unit Cost
Flow per one hundred (100) cubic feet of incoming water	$.7331 per 100 cubic feet (1 unit)
OR	OR
Flow per 100 cubic feet of actual discharge determined in accordance with Part II, Chapter X, Articles 4.1 and 4.2 of the San Francisco Municipal Code (Public Works Code)	$.8145 per 100 cubic feet (1 unit)
PLUS	
Suspended Solids discharged	$.1407 per lb.
Grease/Oil discharged	$.1959 per lb.
Chemical oxygen demand discharged	$.0280 per lb.

These unit costs shall be applied on the basis of typical strength of residential sewage, as determined by the Director of Public Works, and can be stated as a rate of $1.1549 per 100 cubic feet (1 unit, equivalent to 748 gallons) of incoming water; and, be it

FURTHER RESOLVED, That if any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Resolution or any part hereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Resolution or any part hereof. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or ineffective; and, be it

WHEREAS, Section 1245.235 of the Code of Civil Procedure requires that a public hearing be held by the full Board of Supervisors sitting as a Committee of the Whole to make a finding that there is or is not a public interest and necessity for the City and County of San Francisco to acquire the subject property; now therefore, be it

RESOLVED, that it is the intention of this Board of Supervisors to hold a public hearing of the full Board of Supervisors sitting as a Committee of the Whole.

This public hearing is being set in such a manner that a minimum of thirty-five (35) days notice shall be given to each person whose name and address appears on the last equalized county assessment roll notice for the subject property.

Said public hearing is to be held in accordance with Section 1245.235 of the Code of Civil Procedure and notice is hereby given that on the 24th day of July, 1978, beginning at 2 p.m., the

AND BE IT FURTHER RESOLVED, that if there is a finding of public interest and necessity for the acquisition of the subject property, that the expenditure of funds from Appropriation No. 7.654.601.000 be approved for the acquisition of Assessor's Block 716, Lot 2 for the

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 1435 BAY STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DEPARTMENT OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a twelve-unit condominium conversion subdivision, dated March 20, 1978 was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

1435 Bay Street, Lot 1A in Assessor's Block 471; and

WHEREAS, On April 27, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 7951, finding the condominium conversion subdivision to be not consistent with the Master Plan, as the conversion would remove units from the moderate income housing stock of the City; and

WHEREAS, On May 1, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 7951; and

WHEREAS, On May 4, 1978, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, May 22, 1978; and

WHEREAS, On Monday, May 22, 1978, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Tuesday, May 30, 1978, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

The price of each unit shall not exceed $46,125. as agreed to by subdivider, so as not to remove such units from the City's moderate income housing stock; provided, however, that such unit price may be adjusted on the basis of the Consumer Price Index established by the U.S. Department of Labor.

Condition No. 2:

In order to curb speculation by persons acquiring any unit at the proposed price, the subdivider reserves a right of first refusal to repurchase such unit upon any attempted conveyance within four (4) years from the date of purchase, for a price not to exceed the then current moderate income threshold level as calculated by the City Planning Commission.

Condition No. 3:

Each tenant residing in a unit shall be given a non-transferable right of first refusal to purchase his unit at a price not to exceed the price offered to the general public; such right to extend for sixty (60) days from the date of recordation of the Final Subdivision map.

Condition No. 4:

Each unit purchased by a tenant shall include the standard improvements furnished to all units in the building, such as paint, refinished floors, draperies, fixtures and appliances.

Condition No. 5:

No real estate commission shall be paid or payable by any tenant purchaser.

Condition No. 6:

Subdivider commits to ten percent secondary financing to any qualified tenant purchaser so as to permit the tenant to acquire his unit for a ten percent cash down payment; subdivider to assist any tenant in obtaining primary financing upon request by such tenant.

Condition No. 7:

Subdivider to offer a one-year lease to any tenant at a base monthly rental of $375.

Condition No. 8:

Any tenant not desiring to exercise the right of first refusal at the proposed purchase price or not desiring to enter into a one-year lease, shall not be required to vacate his unit until one hundred eighty (180) days from the recordation of the final map.

Condition No. 9:

In the event that a unit is vacated within sixty (60) days of the recordation of the final map, subdivider shall pay to the vacating tenant a total of five hundred dollars ($500) to offset relocation costs; and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby disapproves the action of the Director of Public Works in disapproving the tentative map herein.

BOARD OF SUPERVISORS

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 3140 CLAY STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF THE DIRECTOR OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a twelve-unit condominium conversion subdivision, dated March 1978, was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

3140 Clay Street, Lot 12 in Assessor's Block 999; and

WHEREAS, On May 4, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 7954, finding that the condominium conversion subdivision is not consistent with the Master Plan in that it would remove units from the low and moderate income housing stock of the City; and

WHEREAS, On May 5, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 7954; and

WHEREAS, The Board of Supervisors set the matter for hearing on Tuesday, May 30, 1978; and

WHEREAS, On Tuesday, May 30, 1978, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Monday, June 5, 1978, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation

drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

The price to the present tenants of the ten units identified as Units 3 through 12, upon conversion shall not exceed $59,904, as agreed to by the subdivider, so as not to remove them effectively from the City's low and moderate income housing stock, as required by Section 1385(b) of the Subdivision Code.

Condition No. 2:

The present tenants of the ten units priced at $59,904 shall be given a nontransferable right of first refusal to purchase the unit occupied at that price, subject to subdivider's right of first refusal to buy back any such unit if offered for sale within 36 months after close of escrow, at a price described under Condition 4., below.

Condition No. 3:

Subdivider will buy back from any tenant-purchaser within 36 months after close of escrow the unit purchased by the tenant for the sum of $59,904, plus the following:

(1) All reasonable costs of purchase and sale incurred by the tenant-purchaser, such as:

Title Insurance
Loan Fees
Prepayment Penalties
Recordation Fees
Notary Fees
Escrow Fees

(2) The difference between $384/month and the typical, reasonable costs of condominium ownership, such as:

Condominium Association Fees
Taxes
Assessments
Mortgage Interest at 9½%/year on $47,923.20 (80% of $59,904)
Interest of 5%/year on $11,980.80 (20% of $59,904)

In addition to the foregoing, if subdivider resells the purchased unit within one year from the date of buy-back purchase, the subdivider will pay to the tenant-purchaser-seller 20 percent of the profit from such resale, if any.

Condition No. 4:

Each of the present tenants shall have 120 days within which to relocate, commencing with recordation of the final subdivision map.

Condition No. 5:

The subdivider will pay to present tenants up to $1,000 for actual moving expenses, or a fixed amount of $350 for a three-room unit or $400 for a four-room unit if the reason for moving is related to the conversion and the move is within the San Francisco Bay Area.

Condition No. 6:

a. Subdivider will endeavor to arrange primary take-out financing for the entire project from a major funding institution; and

b. Subdivider will offer secondary financing of up to 10% of the purchase price for all reasonably qualified buyers at prevailing market rates.

Condition No. 7:

Subdivider shall complete all renovation work described in Exhibit II to subdivider's letter to the Board of Supervisors of May 23, 1978, a copy of which is contained in Board of Supervisors' file number 125-78-8, incorporated by reference herein, as "Common Areas," and shall also complete all renovation work described in the said Exhibit

as "Individual Units - As Is;" and be it

WHEREAS, Signatures have been filed for a state ballot initiative for the November, 1978 election entitled, "School employees -- Homosexuality"; and

RECOMMENDING TO THE MAYOR PROPOSED REDUCTIONS IN THE ANNUAL APPROPRIATION ORDINANCE AND ANNUAL SALARY ORDINANCE OF THE CITY AND COUNTY OF SAN FRANCISCO FOR FISCAL YEAR 1978-79; URGING THE USE OF REDUCED WORK WEEK RATHER THAN LAY-OFF OF PERSONNEL.

WHEREAS, The passage of State Proposition 13 at the June 6, 1978 primary election will serve to decrease substantially the anticipated property tax revenues for the City and County of San Francisco; and

WHEREAS, This Board of Supervisors has concurred in a declaration of emergency proclaimed by his Honor the Mayor to exist in the City and County of San Francisco; and

WHEREAS, The staffs of the Board of Supervisors' Bureau of the Budget and of the Office of the Mayor, jointly issued a report proposing "worst case" budgets for each City and County department and activity; and

WHEREAS, This Board of Supervisors has caused an intensive review to be conducted by a Special Committee of the Board of the proposed City and County budget for 1978, so as to develop recommended reductions in that budget designed to keep the ad valorem tax funding thereof within the limits required by State Proposition 13; and

WHEREAS, The recommended reductions are based upon projected revenues initially estimated to be $46.1 million, but which has been reduced to approximately $18.1 million as a prudent figure pending resolution of legal questions which have arisen relative to interpretations of State Proposition 13, and also based upon the likelihood that the California State Legislature will provide some portion of State surplus funds to the City and County of San Francisco; and

WHEREAS, The aforesaid Special Committee has submitted to this Board its report describing recommended reductions in the budgets of the various departments and activities funded by the City and County

government; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby accept, incorporate in full herein by reference, and propose to his Honor the Mayor, the Report of Recommended Reductions in the Annual Appropriation and Salary Ordinances for the City and County of San Francisco for Fiscal Year 1978-79, contained in Board of Supervisors' file number 100-78-10; and be it

WHEREAS, On May 11, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 7960, finding the condominium conversion subdivision to be inconsistent with the Master Plan, as the conversion would remove units from the moderate income housing stock of the City; and

WHEREAS, On May 15, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 7960; and

WHEREAS, On May 19, 1978, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, June 5, 1978; and

WHEREAS, On Monday, June 5, 1978, said Board of Supervisors conducted a hearing on the matter and continued said matter for further hearing on Monday, June 12, 1978; and

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 1855 SACRAMENTO STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DIRECTOR OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a thirteen-unit condominium conversion subdivision, dated March 31, 1978 was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

1855 Sacramento Street, Lot 11A in Assessor's Block 642; and

WHEREAS, On May 25, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 7968, finding the condominium conversion subdivision to be not consistent with the Master Plan, as the conversion would decrease the availability of the rental housing stock of the City and further increase the cost of housing; and

WHEREAS, On May 30, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 7968; and

WHEREAS, On June 9, 1978, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, June 26, 1978; and

WHEREAS, On Monday, June 26, 1978, based upon request by the Subdivider, the Board of Supervisors continued the matter for hearing to July 3, 1978; and

WHEREAS, On Monday, July 3, 1978, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Monday, July 10, 1978, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

The present tenant or tenants of any unit to be converted shall be given a nontransferable right of first refusal to purchase the unit occupied, as required by Section 1385(d) of the Subdivision Code.

Condition No. 2:

RO 269 (Companion To RO195)

DECLARING INTENTION OF BOARD OF SUPERVISORS TO HOLD A PUBLIC HEARING TO CONSIDER ADOPTION OF A RESOLUTION OF NECESSITY IN CONNECTION WITH A PROPOSAL TO ACQUIRE CERTAIN REAL PROPERTY FOR OPEN SPACE.

WHEREAS, the Recreation and Park Department, acting in concert with its Open Space Committee, has selected this site for acquisition by the City and County of San Francisco and that such acquisition is consistent with the Development and Maintenance of Open Space as provided by Proposition "J", passed by the electorate in the 1974 general election; and

WHEREAS, the Director of Property requests that the Finance Committee of the Board of Supervisors review the requested acquisition of Assessor's Block 716, Lot 2; and if so moved, recommend to the Board of Supervisors that funds be made available for the acquisition of the subject property; and

WHEREAS, Section 1245.235 of the Code of Civil Procedure requires that a public hearing be held by the full Board of Supervisors sitting as a Committee of the Whole to make a finding that there is or is not a public interest and necessity for the City and County of San Francisco to acquire the subject property; now therefore, be it

RESOLVED, that it is the intention of this Board of Supervisors to hold a public hearing of the full Board of Supervisors sitting as a Committee of the Whole.

This public hearing is being set in such a manner that a minimum of thirty-five (35) days notice shall be given to each person whose name and address appears on the last equalized county assessment roll notice for the subject property.

Said public hearing is to be held in accordance with Section 1245.235 of the Code of Civil Procedure and notice is hereby given that on the 28th day of August, 1978, beginning at 2 p.m., the Board of Supervisors will hold such public hearing.

At such time, the full Board of Supervisors will make a finding as to whether or not there is a public interest and necessity for the City and County of San Francisco to acquire Assessor's Block 716, Lot 2.

At the public hearing, persons who have been so notified of the public hearing and who have filed a written request to appear within fifteen (15) days after the notice was mailed to them by first class mail may appear and be heard at the public hearing.

The procedure does not require any other person to be heard on this matter than those who have filed a written request to appear and be heard and the Board of Supervisors, at its discretion, need not give an opportunity to appear and be heard to any other person.

The procedure requires that the finding of public interest and necessity requires a two-thirds vote of all the members of the Board of Supervisors present or not.

A do pass or not pass vote of the attached resolution captioned "AUTHORIZING ACQUISITION OF CERTAIN REAL PROPERTY BY EMINENT DOMAIN FOR THE OPEN SPACE PROGRAM" is to be made at the close of the public hearing.

RESOLVED, that it is recommended that every interested party be given an opportunity at the public hearing to testify or submit material for the record to aid the Committee of the Whole in their findings of whether or not there is or is not a public interest and necessity in acquiring the subject property for the City and County of San Francisco.

AND BE IT FURTHER RESOLVED, that if there is a finding of public interest and necessity for the acquisition of the subject property, that the expenditure of funds from Appropriation No. 7.654.601.000 be approved for the acquisition of Assessor's Block 716, Lot 2 for the
